Hannan Families,

We are excited to kick off the start of the 2021-2022 school year! By now, you should be aware of the window for MCS D district-wide verification which is August 3, 2021 - August 6, 2021. Hannan will observe verification for all grade levels August 3<sup>rd</sup> and 4<sup>th</sup> with make-up dates of August 5<sup>th</sup> and August 6<sup>th</sup>. To ensure physical distancing, we have set times for each grade level based on the beginning letters of last names. Also, face masks are optional. Although you completed required documents during the window for online registration, we still have additional hard copies that will need to be completed. If you have children in multiple grade levels and/or who may have different last names, you can choose a date/time that is most convenient for you. You can visit the Hannan website at [www.hannanacademy.com](http://www.hannanacademy.com) to download copies and have those pre-filled prior to verification. **You can also stop by the front office at Hannan to pick up a hard-copy on or after July 26, 2021 before 2:00 PM.** Make sure to have packets completed prior to verification. Call the front office at (706) 748-2744 with any questions. Please see the below locations, dates, and times for your student's verification schedule.
